

MULTI-LUBE - TRIGGER SPRAY

Superior Quality Food Grade Multi-Purpose Lubricant fortified with PTFE

DESCRIPTION

Multi-Lube Spray superior food grade, truly multi-purpose, extremely versatile oil fortified with micronized PTFE particles. Ideal for use chains, open lubrication points and other moving parts in the food, beverage and pharmaceutical and other clean industries.

Multi-Lube Spray is a water resistant, wear resistant chain lubricant with exceptional penetrating capabilities.

Multi-Lube Spray is NSF H1 registered. The USA based NSF are the Globally recognised body who register Non-Food Compounds used in Food & Pharmaceutical Production.

APPLICATIONS

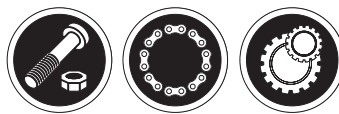

It is ideal as a truly multi-purpose general light oil & lubricant used to release, lubricate or protect numerous components such as Chains, Hinges, Linkages, Slides, Guides, Pivots & Pins found in food, beverage and pharmaceutical and other clean industries. It is suitable to lubricant slat conveyors in bottling plants & can be hand applied or used in automatic lubrication systems.

FEATURES AND BENEFITS

- Wide temp range -43°C to + 180°C
- Reduces friction & wear
- Replaces many other products
- Strong penetrating action
- Fortified with PTFE for friction reduction
- Extends lubrication intervals
- Colour coded for conformance

Multi-Lube Spray is NSF H1 Registered. The product contains no allergens, Genetically Modified Ingredients, and does not contain Nut Oil or Nut Oil Derivatives.
