Indu-Tek

Lithplex Premier Grease B2

Heavy Duty, Superior Performance, Blue Lithium Complex Grease

Lithplex Premier Grease B2 is a superior quality multi-purpose grease, formulated to meet the requirements of a wide variety of heavy-duty application & operating conditions.

Lithplex Premier Grease B2 is suitable for all types of Anti-Friction, Plain Bearings and Sliding Surfaces.

Features and Benefits: -

- Extreme Load Bearing Capacity >600kg's weld load
- Excellent Operating temp range -30°C - 175°C
- Good water resistance
- Excellent Anti-Oxidation & Anti-Corrosion properties
- Long-Life application – extends relubrication periods
- Truly multi-purpose & therefore can reduce stock holding costs

Directions for Use: -

Lithplex Premier Grease B2 can be applied by hand, or by using a standard grease gun or via a centralised lubrication system compatible for pumping an NLGI No.2 grease.

As with all greases used for the first-time check compatibility with the grease applied previously and if necessary purge the bearings prior to application.

Packaging: -

Lithplex Premier Grease B2 is available in 400gram, 12.5kg 18kg, 50kg and 180kg drums.

Part Number: ML-11024
